

# Children Who Know How To Know: Unlocking the Potential of Every Child

In a world that is constantly changing, it is more important than ever to equip our children with the skills they need to succeed. Children Who Know How To Know is a groundbreaking book that offers a new approach to education. By teaching children how to learn, rather than what to learn, this book empowers children to become lifelong learners and critical thinkers.

## Children Who Know How to Know: A resource guide for helping children develop and utilize their powerful intuitive abilities by Elly Molina

The book is divided into three parts. The first part, "The Foundations of Learning," provides an overview of the principles of learning and how they apply to children. The second part, "The Skills of Learning," teaches children specific skills that they can use to learn anything they want. The third part, "The Power of Learning," shows children how to use their learning skills to make a difference in the world.

Children Who Know How To Know is a valuable resource for parents, educators, and anyone who wants to help children learn and grow. The book is full of practical advice and easy-to-follow exercises that can help children of all ages become more effective learners. By teaching children how to learn, we can help them reach their full potential and make a positive impact on the world.

## **The Benefits of Learning How to Learn**

There are many benefits to learning how to learn. Children who know how to learn are better able to:

- \* Understand and retain information
- \* Apply what they learn to new situations
- \* Solve problems
- \* Think critically
- \* Make decisions
- \* Communicate effectively
- \* Collaborate with others
- \* Set goals and achieve them

Learning how to learn is a skill that can benefit children throughout their lives. It can help them succeed in school, in their careers, and in their personal lives.

## **How to Teach Children How to Learn**

There are many things that you can do to help children learn how to learn. Here are a few tips:

- \* Encourage children to ask questions.
- \* Help children to find resources that they can use to learn.
- \* Provide children with opportunities to practice their learning skills.
- \* Give children feedback on their learning.
- \* Celebrate children's successes.

By following these tips, you can help children develop the skills they need to become lifelong learners and critical thinkers.
