

Dance and Politics: Moving Beyond Boundaries

By [Author Names]

Dance and politics have always been intertwined. From the earliest forms of ritual dance to the political protests of the 20th and 21st centuries, dance has been used to express political ideas, challenge social norms, and create social change.

In *Dance and Politics: Moving Beyond Boundaries*, leading scholars and artists explore the complex relationship between dance and politics. This book examines how dance can be used to:
