Review

Danger Zone is a gripping thriller that will keep you on the edge of your seat from beginning to end. Alex Mercer is a complex and compelling character, and his journey is one that will stay with you long after you finish the book. The action is fast-paced and intense, and the suspense will keep you guessing until the very end.

If you are a fan of thrillers, then you need to read Danger Zone. It is one of the best books I have read in a long time, and I highly recommend it.
