## St. Nicholas

St. Nicholas of Bari was born in Lycia (today's Turkey). From an early age he was a very generous person, especially towards the poor. He also had the custom of giving secret gifts to children.

Nicholas moved to Myra where he was ordained as a priest, and later as a bishop.

He was imprisoned during the Diocletian persecution and only released when Constantine the Great came to power.

St. Nicholas is associated with Christmas because of his tradition of giving secret gifts to children. His feast day is on the 6th of December.
