

Family Focused Nursing Care: A Transformative Guide for Nurses

In the ever-evolving landscape of healthcare, the importance of family involvement in patient care has become increasingly apparent. Family Focused Nursing Care, a seminal work by renowned author Samuel

Owedyk, serves as a comprehensive guide for nurses seeking to embrace this transformative approach.

Bridging the gap between theory and practice, this book offers an in-depth exploration of the principles and practices of family focused nursing care. With a wealth of evidence-based research and real-world examples, Owedyk empowers nurses to develop a holistic understanding of the family's role in patient care.
