- Over 300 new spells, including powerful new variations of classic spells like fireball and lightning bolt.
- Detailed rules for creating and using arcane rituals, powerful magical effects that can be cast over a period of time.
- New archetypes and feats for arcane spellcasters, giving you new ways to customize your character and build the perfect spellcaster for your party.
- Advice on how to build an effective spellcasting strategy, including tips on spell selection, spell combinations, and battlefield tactics.

- A wealth of lore and background information on the arcane arts in the Pathfinder world, giving you the context you need to roleplay a spellcaster effectively.

With the Pathfinder Manual of Arcane Combat, you'll be able to unlock the full potential of your arcane spellcaster and become a force to be reckoned with on the battlefield.
