In 1985, Stephan Lee was a young music journalist just starting out. He had a dream of interviewing some of the biggest stars in pop music, and he was determined to make it happen.

Lee spent years tracking down his idols, and he eventually managed to interview some of the most iconic figures in the history of pop music, including Madonna, Michael Jackson, Prince, and Whitney Houston.

These interviews were never published, but they were recently discovered and collected in a new book, Pop Confidential: The Lost Interviews.

Pop Confidential is a fascinating and revealing look at the world of pop music in the 1980s and 1990s. Lee's interviews are insightful and candid, and they offer a unique glimpse into the lives and careers of some of the most famous people in the world.

In his interview with Madonna, Lee discusses her childhood, her early career, and her rise to fame. Madonna is open and honest about her struggles and her triumphs, and she provides a fascinating glimpse into the mind of one of the most successful pop stars of all time.

In his interview with Michael Jackson, Lee discusses Jackson's early life, his relationship with his father, and his career as a solo artist. Jackson is candid about his struggles with addiction and his personal life, and he provides a revealing glimpse into the mind of one of the most enigmatic figures in pop music.

In his interview with Prince, Lee discusses Prince's early life, his musical influences, and his career as a solo artist. Prince is open and honest about his struggles with the music industry and his personal life, and he provides a fascinating glimpse into the mind of one of the most influential musicians of all time.

Pop Confidential is a must-read for fans of pop music. Lee's interviews are insightful and candid, and they offer a unique glimpse into the lives and careers of some of the most famous people in the world.
