Let's begin by familiarizing ourselves with the essential tools and materials of crochet. You will need a crochet hook, some yarn, and a darning needle. We will also introduce you to the fundamental stitches—single crochet, double crochet, and treble crochet—that form the building blocks of all crochet projects.

### Day 2: Hooking the Basics

Today, you will learn the proper way to hold the hook and the yarn. We will also practice the chain stitch, which serves as the foundation for all crochet projects. As you gain confidence, you will start creating basic crochet shapes, such as squares and circles.

### **Day 3: The Magic of Stitches**
